The Werribee and District Collectable Vehicle Club (Inc.)

Was formed in June 1991 to foster and advance interest in History, Restoration, Care and Preservation of Classic and Historic Motor Vehicles. It provides an avenue for sharing of information by owners of those vehicles. The Club is a not-for-profit organisation. We welcome as members all those interested in preservation of our motoring history.

Club conducts monthly general meetings, regular events, and monthly runs for its members and assists community organisations with attendance at community events, retirement homes, parades and car shows.

Generally our members come from those who own vehicles over 25 years old, but this is not a prerequisite for membership, anyone is welcome.

President's Report

Hello Fellow Members,

Wow, June already, it's difficult to think we have reached the end of another Club year.

Past 12 months were a mixed bag with many memorable events, runs and generally great camaraderie with all our members.

Unfortunately, we also experienced a number of sad times, with the passing of a few of our fellow members, but we're left with fond memories of them for us all.

For our June Meeting, Wednesday 26th Club is putting on a FREE PIZZA Night, so rock up early 6:30/7:00pm and have a chat and PIZZA before our meeting formally begins.

Reminder to pay your annual fees by 30th June, everyone would have received their renewal forms in April and May along with your Newsletter. If didn't receive your renewal form please contact us on wdcvc@hotmail.com and one will be sent to you.

Advanced notice to membership, Club's AGM meeting normally held on 4th Wednesday of August, but from 2023/2024 this was moved to be held on 4th Wednesday of September, so AGM now scheduled for 25th September 2024.

All committee Positions are declared vacant and new committee voted in at the AGM.

This is your chance to come on board to steer the Club into the future.

Please think about taking on a role as if no one steps up then there is no Club, and no Club Permit Vehicles.

Currently committee is considering expanding numbers of formal members on committee to present for discussion and acceptance by membership at next AGM.

Committee is considering introducing to members that we have additional formal roles on committee to assist with high workload on executive and key roles on committee from 2024/2025 Club Year.

Under consideration is the following, Assistant Treasurer, Assistant Secretary, Assistant Social Secretary, Assistant Editor. Another role is an Assistant Role to Club Captain to help with compiling, organising and coordinating Club Runs. One option is role of Club Captain may be broken up even more than Just Club Captain and Mid-Week Captain to add role to plan and organise Club Coffee Morning Runs.

Connie our Social Secretary madly organising this year's Presentation Dinner at Hoppers Crossing Club, Mossfiel Drive.

Tickets are on sale now, so round up a few fellow member, friends or family to make up a table of 8 to experience a good night out.

Numbers must be finalised by mid-July (Latest) as Club needs to give final numbers and fully pay Venue on 27th July.

Member cost \$35/Head, Non Members \$60/Head and Children under 12 Free.

Cheers

Col

Coffee/Breakfast at Wyndham Cache

Sunday 19th May 2024

At last we managed to return to this lovely location for this month Run for our Sunday Morning Coffee.

Historically it's been difficult to setup a return to this Restaurant because of constraints with making booking for larger groups.

A bright new management team moved in, all past difficulties evaporated and we were welcomed with open arms and nothing proved too difficult for them to make our time very pleasant.

Food as normal delicious, even if one only had a muffin and coffee.

Day didn't look too promising so only a few managed to gamble and bring out their club vehicles. Luckily the gamble paid off, no rain and absolutely no mud on 'K' Road from farmer's tractors to get any car dirty, phew.

A lot of the time was spent by a number of ladies speculating about their upcoming Ladies Weekend away to Warrnambool, and as this was a topic two more ladies signed up on the spot to join the group for the weekend.

By around 11:30 everyone decided to move depart onto other Sunday activities.

A Great morning had by all....

Easy Does It, CSM May 26th, 2024.

With some of the crew absent on the Ladies 3-day Weekend Getaway, it was going to be up to the blokes to see if they could run a good CSM. Fortunately a couple of ladies did not participate so Connie G and Linda G arrived and saved the day. Just joking, the blokes also did very well.

Apart from the set up and pack up crew, Alfie, John Ryan (Liz was unwell) Peter Lockwood, Kerry White and Mick Galea all gave it a red-hot go at the desk and the BBQ. (Plus the two Galea girls). Thanks so much to these dedicated members.

So we had a good turn-out of volunteers, and the beautiful April and May weather was still performing. Members and visitors were not as prolific as our last show; it seemed more of a relaxed day. Some notable member chariots in the line-up were:

Prez Colin's '65 T Bird, new member Wren Brown's VW beetle, Ronnie Mallia's HQ ute (with Statesman clip), Dave Gregory's '32 Ford hotrod, Tibor's '57 Chev, and Daryl Harden's big '39 Chrysler sedan. Plus Mick and Linda's Valiant Safari. Mick, I think it's the great colour that does it for me, as a former '65 Val owner.

The visitors didn't let us down either. Stuart Elliott's little 1300 Mazda, Steven Codrington's '54 Morris Minor, Paul Steven's '71 F100, and Rob Grech's '28 A model 5 window coupe all stood out. Also seen was an unusual big Fiat sedan, a nice Fiat125 Sport in mid blue and a white Mazda rotary custom coupe which just drove through, the owner promising a better visit next show.

Rob Grech's coupe has a lot of history, which Rob gained through a rare coincidence. Just driving along minding his own business he was flagged down by a previous owner who just happened to be passing. He was offered a stack of paperwork detailing the car's history. Seems it commenced hot-rodding as a prize-winning machine painted black with flames. After one show it caught fire, and was then acquired by new owner who started from scratch and built this beauty to its current high standard, with bright red duco, a wide block 350ci, 2" chop and Jaguar running gear. Check the solid roof panel, pinched from a Holden panel van.

As mentioned, the visitor cars put the cream on our own fleet, as you have to attend to see who arrives with what. Paul Stevens acquired his F100 recently as a US import. It was bought new, then basically garaged, with only 12,000miles on the clock. It features a wide block donkey with auto trans, perfect interior and a remote controlled spotlight!. Looking nice!

Thanks to all who arrived including the setup crew of Lindsay, the two Brians, John Kirkbride, Tony G and Yves. Rod Matthews, Wayne Rodgers and Colin shot the photos. Another good one!

LADIES 3-DAY WEEKEND GETAWAY TO WARRNAMBOOL 25TH - 27TH MAY 2024

Day 1: Our trip has finally arrived, and all 7 ladies were ready to go. Jenny and I were the chauffeurs for the trip. We packed everyone's luggage into the cars and headed off. Our first stop was in Colac for lunch at a bakery that was recommended by Colin. There we discussed our plans for the weekend.

We arrived in Warrnambool, and it was straight to the op shop before they closed! And a quick look around the shopping precinct and then we checked into our apartment where we were met by Nancy and Lena who had travelled down by train. We settled in for the evening with a home cooked dinner, by me with help from the ladies. We enjoyed getting to know one another over a few drinks and nibbles.

Day 2: After brekky we were back in the cars to check out the Fletcher Jones Market. Women and shopping, great therapy. Then off to 'Off the Boat' at Port Fairy where I was hoping for a fresh seafood lunch, maybe lobster. No lobster or seafood! I wasn't happy, so off for lunch at the 'Star of the West Port Fairy', a beautiful old looking pub. Joan and Pat had crocodile which they thoroughly enjoyed. After a little more shopping we were on our way back to Warrnambool. Jenny was looking forward to seeing the Warrnambool Wombat, the mural on the Otway Road rail overpass created by Jimmi Buscombe. After some photos we were off for a lovely walk around the foreshore. Dinner once again back at the apartment. After dinner we got some dance lessons from Victoria.

Day 3: We checked out of our apartment at 9.30am and off to the Deep Blue Hot Springs for some pampering heat therapy. Pool temperatures range between 36-40 degrees except for the one not so hot plunge pool (12-15 degrees) which only two of us were game enough to try. Our final Lunch was at the Warrnambool RSL where we were greeted by the friendly staff and well and truly looked after. Once lunch was done, we dropped Nancy and Lena off to collect their cases ready for their train trip. Then we headed for home. With a final coffee stop in Colac, our Ladies Trip has come to an end.

We all had such an amazing time, and we can't wait for our next trip. I would like to thank everyone for making it a memorable one.

And ladies remember, what happens in Warrnambool stays in Warrnambool.

Social Secretary, Connie Malia

Sanctuary Lakes Lakeview Restaurant Brunch

Sunday 2nd June 2024

Good turnout of 32 members for brunch for first time at Sanctuary Lakes Lake View Restaurant. Morning was very chilly, but function room restaurant provided for us was pleasantly warm and cosy.

Many of us soon ordered a hot drink and stood around chatting while waiting for kitchen to open to place our meal orders.

Out provided by the room lived up to its name "Lakeview" as room had panoramic views across golf course and lake to some magnificent homes built right on banks of the lake.

Meals began arriving and soon the chatter died down to a pleasant hum while we all eat our lunch. Some members at the beginning decided not to order lunch but soon changed their minds as time pasted 12 and tummy bugs started to demand food.

The number of Club Vehicles parked in restaurant carpark attracted some interest from golfers and people heading the gym and swim center that is also on the lake front.

Members were asked about what years and makes some of the older models like Marks 1940 Packard the oldest club car on display.

The more familiar cars were more easily identified and it was often heard "my grandfather" had one of those and its was used to go on holidays pulling caravans or trailers loaded with camping gear, many that were asking questions were too young to say their Dad had one though.

Nice place, easy parking, good food and friendly staff so I'm sure it will bring us back again.

What happens when Old Car Guys get sent to the Nursing Home

Best Knock Knock Joke Ever...

One night the 96 year old draws a bath, puts his foot in and pauses. He yells down the stairs, "Was I getting in or out of the bath?"

The 94 year old yells back, "I don't know, I'll come up and see." He starts up the stairs and pauses, then he yells, "Was I going up the stairs or coming down?"

The 92 year old was sitting at the kitchen table having coffee listening to his brothers. He shakes his head and says, "I sure hope I never get that forgetful." He knocks on wood for good luck. He then yells, "I'll come up and help both of you as soon as I see who's at the door."

A nun was sitting at the airport, waiting for her flight to Chicago.

She looked over in the corner and saw one of those weight machines that tells your fortune and thought to herself, "I'll give it a try and see what it tells me."

She went over to the machine, stepped up on the scale and put her nickel in. Out came a card that read, "You are a nun. You weigh 128 lbs, and you are going to Chicago."

The Nun sat back down and told herself that the machine probably gives the same card to everyone. The more she thought about it, the more curious she got so she decided to try it again. She went back to the machine and again put her nickel in. Out came a card that read: "You are a Nun. You weigh 128 lbs. You are going to Chicago and you are going to play a fiddle."

The Nun says to herself, "I know that is wrong. I have never played a musical instrument even once in my life." She sat back down.

From out of nowhere a cowboy came over and sat down, putting his fiddle case on the seat between them. Without thinking, she opened the cowboy's case, took out the fiddle, and started playing beautiful music.

Surprised at what she had done, she looked over at the machine, thinking "this is incredible. I've got to try this again."

Back to the machine she went, put in another nickel, and another card came out. It read, "You are a Nun. You weigh 128 lbs. You are going to Chicago and you are going to break wind." Now she knows the machine is wrong as she thought to herself "I've never broken wind in public a single time in my life." But getting down off the machine she slipped, and as she was straining to keep herself from falling to the floor, she broke wind.

Absolutely stunned, she sat back down and looked at the machine. She said to herself, "This is truly remarkable. I've got to try this again."

She went back to the machine, put in another nickel, and another card came out. It read, "You are a Nun. You weigh 128 lbs. You have fiddled and farted around and missed your flight to Chicago."
