NEXT GENERAL MEETING - WEDNESDAY 22nd MAY (7.30pm)

VALE

John Agosta (Snr) Member #70

Passed peacefully at Werribee Hospital Saturday 11th May 2024.

John joined Werribee and District Collectable Club (Inc.) on 15th June 1995.

John is fondly remembered as a great club member who had a way of being the centre of attention within a group.

No matter the topic, John expressed his strong opinion on any subject or had an antidote that he was only too willing to share with his audience.

John's knowledge was extensive, when talking on Club's history and places Club visited.

If a topic came up about Cars, John's eyes would light up and regaled us all on Cars, Caravans, Motor Home or Boats he'd owned over the years, the good or bad on them all.

Other than John's dedication to his family, next was his extensive skills in tinkering, restoring or generally working on his other passion, Holden's and his much loved Fleet of Pontiac cars.

John's cars were more often than not the centre of many enthusiasts' enquiries when he showed his cars.

John and Evelyn were very much loved by everyone in the Club and bit like a Nan and Pa and were frequent attendees at many Club runs or events.

John survived by his wife Evelyn, children John (Jnr) and Marianne and their families.

Our thoughts and Prayers go out to all of John's family and friends.

Hope the road you travel is smooth and sun is forever shining.

RIP John

The Werribee and District Collectable Vehicle Club (Inc.)

Was formed in June 1991 to foster and advance interest in History, Restoration, Care and Preservation of Classic and Historic Motor Vehicles. It provides an avenue for sharing of information by owners of those vehicles. The Club is a not-for-profit organisation. We welcome as members all those interested in preservation of our motoring history.

Club regularly conducts events, monthly runs for its members and assists community organisations with attendance at community events, retirement homes, parades and car shows.

The Club's recently constructed Club Room caters for a range of activities such as Club gatherings, meetings and is often our starting point for runs.

Generally our members come from those who own vehicles over 25 years old, but this is not a prerequisite for membership, anyone is welcome.

HAPPY BIRTHDAY TO ALL MEMBERS HAVING A BIRTHDAY THIS MONTH

*Amy Smith, Shirley Pierce, Rose Ravaneschi,
Carmen Mallia, Fiona Kirkbride, Cathy Grist and
Carmen Spiteri*

*If you would also like to receive a birthday shout out, email our editor Jenny
(magoos_4@bigpond.com) advising birthday month for yourself and your better half.*

Our best wishes to the following members.

Charles Pace at home recovering from major surgery.

**WE WISH ALL OUR FELLOW MEMBERS WHO ARE FEELING POORLY

Our trip to New Zealand's North Island and the Whangamata Beach Hop - 20 March 2024

The main purpose for our trip was to visit Betty's penfriend of 66 years. The bonus for Werner was the Repco Beach Hop 2024 Classic Car Show. It's a big event held at Whangamata, located at the southern end of the eastern coast of the Coromandel Ranges often referred to as the Paradise Coast.

We arrived St Patrick's day. The Sky Tower was lit up in a beautiful shade of Green. We stayed 3 nights in Auckland city. Had 2 full days! Went on the "hop on hop off" bus sightseeing tour of the city. Yachts of every description and size in the Harbour. One of our stops, we went to the Motat Museum of transport and Technology. There we saw a working old Melbourne Tram, the Glenferrie Malvern Road. Betty remembered catching a similar tram to work in the 60s.

That evening we walked to the harbour area for dinner, some streets are quite steep, didn't look like it at the time.

Next day we caught the ferry to Waihehe Island, a forty-minute trip. There we went on the Island "hop on hop off" bus tour. The scenery was beautiful! Vineyards, restaurants, olive groves, miles of beautiful white sandy beaches. Some grand homes, magnificent views, lots of rich and famous live there.

That evening we had booked to have dinner at the revolving restaurant in the Sky Tower with magnificent views of Auckland late evening and night lights.

Next day we picked up our Hire Car and headed off to Whangamata, it's about a 3hr drive if you know the way. Took me a little longer.

We got caught up in a classic car traffic jam, at a town called Waihi, where the Beach Hop cars had come to parade through the town. The Repco Beach Hop 2024 Classic Car Show is a 5-day event, and they also visit surrounding towns.

We joined the end of procession on the very slow drive through very winding twisting mountainous roads.

We arrived at Whangamata late that afternoon. Betty's penfriend Margaret and her husband David were thrilled to see us. It had been 14 years since we last saw them. They have a beach house in Whangamata, their home is in Hamilton.

We had a marvellous time catching up on things and did a couple of day trips around the area, lovely scenery, very winding mountainous roads.

Whangamata population is normally 5000 but swells to 100,000 or more with over 1000 classic cars on show during the 5-day event. Daily parade of cars through the town, night time cruising up and down main street, great to watch and to get a good dose of exhaust fumes.

Rock'n'roll night saw everyone dressing up in 50's-60's outfits including the children, a lot of fun to watch.

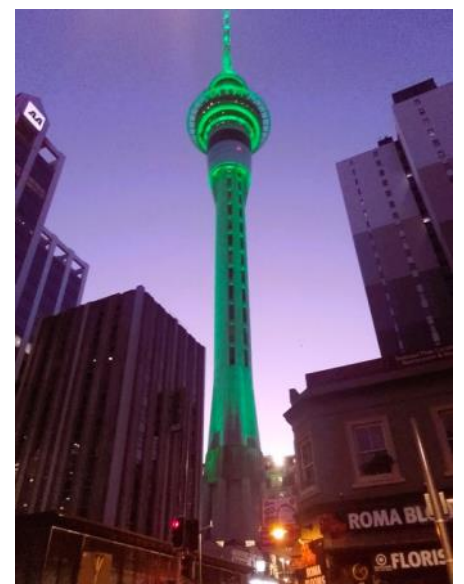

Saturday is the big event! Cars that have registered park in the main street of town for everyone to admire.

Unfortunately, around lunch time it started to rain. Put a big damper on the event and washed out that afternoon.

5 pm at a nearby reserve, was the big raffle draw! 1st prize: a 1966 Ford Mustang. 2nd prize: Harley Davidson Motor Bike. 3rd prize: \$10,000.00 cash. Entry forms were in the event magazine which cost \$5.00. The winners had to be there. They called the winners mobile phone so there were hundreds of silent people standing in the rain hoping their phone would ring, if not answered - re draw.

Sadly, it was the first time in years the main event was washed out. Sunday is was over and everyone was leaving. We stayed 2 more days then we were on our way home.

President's Report

Hello Fellow Members,

First I wish to thank Daniel for stepping in to run our Club events and meetings in my absence, well done.

To members currently suffering with poor or serious health issues our thoughts and prayers go out to you and your family.

Phew, over past few weeks Club was extremely active with a number of well attended events around town.

- Coffee morning at South Corner Café.
- Great Fun Day with BBQ at Werribee Lawn Bowls Club with some really good Bowlers being found within the Club.
- Cars and Coffee Casual Sunday was extra special with Tony Galea organising Corvette Clubs to attend making it largest Casual Sunday Club has held. Well done Tony, John and everyone who helped, Trevor Ryan for his drone footage.
- Cruise to Fonzies Diner followed by a visit to Penrite Lane88 Collection of vehicles.

At our April Club Meeting on Wednesday 24th it was noted there were many issues with how rooms are left and what's considered safety issues. A strongly worded E-Mail along with images sent to Council requesting for them to work with other user to rectify. Council responded they are in receipt of club's E-Mail and advised they are meeting the other users at the Pavilion to ensure this doesn't happen in future. I'll keep you posted.

Reminder it is time to pay our annual fees by 30th June, everyone would have received their renewal forms in April along with Newsletter. If you have not received your renewal form please contact us on wdcvc@hotmail.com and one will be sent to you.

Connie your Social Secretary is working very hard on this year's Presentation Dinner being held at Hoppers Crossing Club, Mossfiel Drive not far from Club Room.

Tickets will go on sale from May's General Meeting.

Round up a few fellow members, friends or family to make up a table to experience a good night out.

Cheers

Col

WBCVC Lawn Bowls Championships 14th April 2024

The club lawn bowls day out was held at the Werribee Bowls Club, with overcast weather. A turnout of 22 members arrived early for the event, with the majority of club cars being left at home.

An introduction to the club was made by Graham the host, then all the bowling participants were paired up for a practice session of firstly the rules, followed by trying to work out how to play the game.

After about an hour of bowls going left, right, and centre, it was time to take a break and have a barbecue lunch which was kindly donated by our club.

After lunch it was back into the business end of the day with teams of 4 selected to play for the trophies, also donated by the club. Another hour of fun passed, and then it was time for the presentation ceremony.

After deliberating in secrecy, the judges awarded the following trophies:

1. **The Banana Trophy. Claire Burch for being the Dark Horse of the day.**
2. **The Well-Done trophy. Ray Hill.**
3. **The Biggest Excuse Trophy (For not winning). Ronnie Mallia.**
4. **Overall Winner for the Day. Brian Gosney.**

A great day overall with tons of laughs. Special thanks to Graham and the bowling club for the use of their excellent facilities, Daniel for coordinating the day, and lastly, the chefs and judges.

Fonzie's Diner and Lane 88 - Sunday 5th May 2024

Well, what a great day we had!

At 9.30am 5 cars were lined up at the council buildings ready to make our way over to Fonzie's Diner in Kilsyth. We had a really good run over the Westgate and through the city. Then, when we were oh so close to our destination our lead car made a turn into a servo. The obedient group that we are, followed them in trying hard to avoid the cones that had been placed across driveway. Driver swiftly alighted from his vehicle and made a beeline for the shop. To his dismay, they would not let him in. Apparently, they had just been broken into and were waiting for the police to arrive. So, driver, now with legs crossed, hunted down the next servo. With him (who shall remain nameless) safely inside, the rest of us got out and stretched our legs. Phew.

At Fonzie's Diner, we met up with two vehicles that had made their own way. They opened the doors and we got settled into the awesome decor. They had all things from the 50s, 60s, and 70s. It was a truly amazing place, and the food was some of the best we've had. The service was great too.

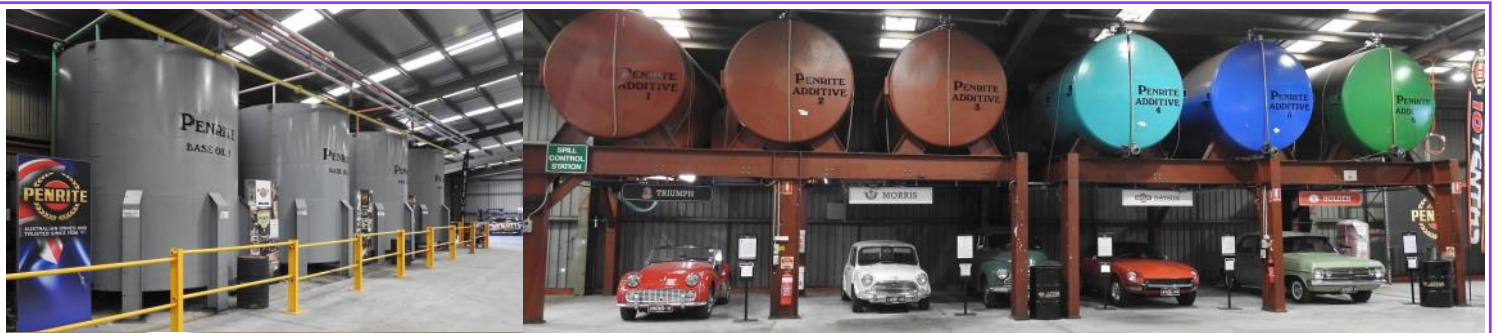

After brunch we made our way across to Wantirna South to visit the Penrite Lane 88 Auto Museum to view the private collection of vehicles owned by the late John "JD" and Margaret Dymond. We were given a tour of the museum and after a brief talk about oils we were free to wander.

The building had previously been the blending facility where the oil and additives were blended and stored until 2016 when Penrite relocated to larger premises. The blending pits and machinery used are still in place. It was then turned into a museum though we were told Margaret does not like to hear it called a museum, it's a collection. We were lucky enough to meet Margaret as she and her dog dropped in while we were there. Best of all, these vehicles can often be seen gracing the open roads, appearing at car shows or on the track as they are all driven regularly.

BUILD IT AND THEY WILL COME.... CSM APRIL 28, 2024.

That's a famous quote from a movie about a baseball team who built a stadium in a cornfield which soon became well attended. Our CSM has a bit in common with this: to demonstrate we had three visiting clubs on the last Sunday in April, plus a good turn out by our own members.

Assisted with a perfect day from the weather gods (Monday was cold and windy with a few showers), the Corvette Club of Melbourne turned out with 18 beauties, led by Craig O'Donohue plus the Geelong Corvette owners arrived with 8 (Denis), and the Western District Historic Vehicle Club (Ken Parry) rolled up with another six ranging from a 1925 Dodge tourer to an '87 Merc 300SE, with some other worthy machines including a replica AC Cobra, a '65 Falcon 2 door, and a Mk 11 Jag.

The Corvettes certainly won the day, with models from both clubs ranging from an early Corvette (1959 C1) to the latest and greatest current C8's. Visitor Mark Andrew also arrived in a C8. With the huge turn-out it was difficult to corral all the cars onto the log-in book, but a few other models observed as they came and went were a very nice green Porsche 911, a '38 Ford ute with a crate 283 Chev donkey, the Kennedy A Model Ford, Mick Graham's '67 Camaro, a wild '30's Pontiac in mauve and black (for sale), David Bibby's '65 Impala, Dave Gregory's '32 Tudor hotrod, Andrew Gidman's Single Spinner Tudor 6, and Alfie's brother with his '56 Ford Victoria.

Mark Reilly displayed the latest in military hardware, a Land Rover Defender complete with trailer and camouflaged motorcycle. There's a rumour that he will send it to the Ukraine? Michael Toffolon brought along his two hotrods, a '34 Ford roadster and a wild looking A Model coupe, stock height in vivid yellow. This car was converted to gas, as there was no room to fit a carburettor under the bonnet. Another interesting exhibit was a '71 Ford F100, whose owner also failed to log in. It's in the process of an upgrade, even though it is already a very nice truck.

All in all a huge day, with cooks Heather, Mark and Alfie almost doubling the normal output of E & B rolls and sausages, and our desk staff of Rose, Vicki and Connie G serving 60 hot drinks plus cans of soft drink and bottled water. Around 100 cars near filled the Cherry Street car park.

We have had some donations of supplies recently, which reduces our costs: Ruth Ronan: 2 cartons of Coke, serviettes, gloves, sauces and ice from a recent Bunnings session, and VP Daniel: 2 slabs of bottled water.

Thanks to Tony Galea who sponsored his Corvette club, to Rose, Vicki, Connie G, Mark, Heather and Alfie for a huge and tiring effort conducting the catering, and to the set-up crew, the two Brians, John Ryan, Lindsay, Mick G and Tony G. Great stuff!

Autumn Leaves are a fallin' - Midweek Run 10th April 24

An overcast morning with possible showers saw us start gathering at the BP service station in Rockbank. At 9:43 Lorraine and I were stuck in traffic in Derrimut road near Boundary Rd when Vice President Daniel rang to say there was no body at the service station. "He was early."

On our arrival the numbers were growing. John Hansford had Jaguar problems but arrived at 11am and after a short briefing we were away, all 24 of us.

We travelled along Leakes Rd through Rockbank and Toolern Vale to Gisborne, through the township and industrial area, up the foothills of Mount Macedon and Lloyd Williams old training facility to Mount Macedon Rd, up and over the top of Mount Macedon through the shedding autumn leaves into Woodend. What a delightful drive!

We parked in the Coles car park and arrived at the Victoria hotel across the road. The dining room was still the same and the meals and service was as good as the last time we were there. Everybody enjoyed lunch, sang Happy Birthday to Connie Galea and chattered with an open fire glowing in the background.

Going home time arrived, but before leaving the township, many went to the famous bakery for vanilla slices and award-winning pies to take home. Some travelled home along the Calder Highway and others through Gisborne and Bacchus Marsh. The weather had stayed fine, and all attendees enjoyed the day out.

Thank you for supporting this club event.
