NEXT GENERAL MEETING - WEDNESDAY 24th JULY (7.30pm)

The Werribee and District Collectable Vehicle Club (Inc.)

Was formed in June 1991 to foster and advance interest in History, Restoration, Care and Preservation of Classic and Historic Motor Vehicles. It provides an avenue for sharing of information by owners of those vehicles. The Club is a not-for-profit organisation. We welcome as members all those interested in preservation of our motoring history.

Club conducts monthly general meetings, regular events, and monthly runs for its members and assists community organisations with attendance at community events, retirement homes, parades and car shows.

Generally our members come from those who own vehicles over 25 years old, but this is not a prerequisite for membership, anyone is welcome.

HAPPY BIRTHDAY TO ALL MEMBERS HAVING A BIRTHDAY THIS MONTH

*Connie Mallia, Jen Rodgers, Julia Fhebey,
Brett Murray & Paul Tabone*

If you would also like to receive a birthday shout out, email our editor Jenny (magoos_4@bigpond.com) advising birthday month for yourself and your better half.

To WDCVC,

Thank you very much for the card and flowers that I received after the passing of my father. A kind thought and greatly appreciated.

Kind regards Alex Grixti

GET WELL SOON!

**WE WISH ALL MEMBERS WHO ARE FEELING POORLY
A FULL AND SPEEDY RECOVERY**

A Tribute to Neil Joiner

It was with great sadness and heaviness of heart that I attended the recent funeral of Neil Joiner, a true Holden patriarch.

Neil was the initiator and creator of the magnificent Holden museum that stands in Gippsland's small town of Trafalgar. The museum, in less than ten years, has become the preeminent Holden museum in this country. For those who have visited the museum and those that should, Neil has recreated Holden history from its earliest days as a saddlery company right through to its very sad closure as a local vehicle manufacturer, covering everything in between as well.

Neil was an inspiration in his passion for the Holden brand and the flood of emails into the museum from noted Holden people was incredible and a tribute to the bloody great bloke he was. What a legacy to leave. A man that will be sadly missed. Farewell mate.

Brett Murray #391

President's Report

Hello Fellow Members,

I'd like to take the time to thank almost the complete membership for ensuring annual dues were paid on time 30th June. Our Treasurer Jenny is stoked with not having to chase heaps of members for their money. Well done all.

As July is a new Club Year I wish to thank all executive committee members for their undying commitment to their respective roles it was a massive pleasure working with such pleasant committed people. Thank you to all members on General Committee and those who take on the engine house volunteering roles the Club would never work without your dedicated involvement.

Advanced notice to membership, Club's AGM meeting normally held on 4th Wednesday of August, but from last year this was moved to be held on 4th Wednesday of September, so AGM now scheduled for 25th September 2024. All committee Positions are declared vacant at this meeting with a new committee voted in.

This is your chance to come on board to steer the Club into the future.

There are current committee members who will definitely not be taking on another year they have done more than their fair share, so please take a moment to ponder how you can support your Club and help with its running. Please seriously contemplate taking on a role even if its general committee which are support roles, if no one steps up then there is no Club, and no Club Permit Vehicles.

Connie is madly organising this year's Presentation Dinner at Hoppers Crossing Club, Mossfiel Drive.

All tickets booked for presentation night must be paid in full no later than our July General meeting Wednesday 24th July.

Cheers
Col

Mid-Week Run to Queenscliff Bowls Club

Rip Bistro 12th June 2024

Weather forecast was not conducive for encouraging many members to bring out their Club Vehicles to drive on this month's Mid-Week run planned by Les and Lorraine. So members who did drive club cars are highly commended for shrugging off a poor forecast and bring out their cars, Wren and Kaye (VW Beetle), and Jenny Matthews (VS Statesman).

Les arranged for us to meet at the BP S/S on the highway near Little River for a cuppa and chat before the main cruise began.

Unfortunately a few members were unable to join at the last moment, so we were down to 27 rugged up members being greeted by Les at our Coffee Stop, after placing orders for Coffee our members were soon the noisiest bunch in the Café with everyone catching up with what they had been doing since being last together.

We welcomed two members to the Run who recently joined the Club, Wren and Kaye, also Ron Hunt, attending their first mid-week run, they soon warmed to our groups activities.

After Les held his drivers meeting outlining his planned cruise route down through port of Geelong to view Tasmanian Ferry, then pleasant drive around Geelong's foreshore with nice views across the bay.

After regrouping at edge of Geelong's Botanical Gardens we drove down past old Stingaree Bay's historic lime kilns, then along Limeburner's Road passing through East Geelong Golf course onto Portarlington Highway.

So far so good, no one became separated after driving through many sets of traffic lights and hustle and bustle of Geelong.

Les planned a nice leisurely cruise first to Portarlington. We arrived just in time to watch one of the many ferries cast off and head out onto the Bay.

From there we drove around water front all the way to St Leonards where we left the water and headed inland before arriving at Queenscliff Bowl Club.

Bowl's Club's Rip Bistro arranged three tables for our Club, everyone soon found a seat and by this time were feeling peckish, so we quickly order lunch.

Chef and all staff were extremely efficient and not very long after ordering meals were soon delivered to table and chatting abated while lunch was consumed.

On leaving Queenscliff a few ventured back to stop off at Portarlington's famous Bakery for Coffee and pick up a couple of sweets to take home for supper.

Another great day, well done Les and Lorraine, keep an eye out in the Newsletter for Les's next Mid-Week adventure in August.

Could Have Been Worse?! CSM June 24th, 2024.

It was just 30 minutes after sunrise on a grey day when the hardy team assembled at Cherry Street for our June CSM. Rain was forecast, so many entries in the sign-in book read "modern" however we also had a fair turn out of club cars, plus some interesting visitor machines.

To simplify matters, club and visitor are dealt with as a mix:

Visitor Ian Fryer showed an unusual three-wheeler bike, a 2017 Can Am 1330 Spyder RT SM6. In explanation, Can Am - Canadian American, 1330cc, not sure about RT, but SM6 is the larger more powerful version. New member Karen Hollis has a neat Celica SXR, and Mick Graham left the one-tonner at home, in favour of his '67 SS Camaro. A little unusual as it is a genuine RHD, having been converted here with zero kms on the clock. "I'm old school, and I don't like the wheels" says Mick. Yeah they look a bit modern, but the SS's great profile could easily be late '80's.

New member Ron Hunt's '69 bright yellow Mustang has been re-engined with a later model 351 Windsor. Ron has owned the car for 14 years, after a restoration in 1996. Visitor David Cossey usually attends the Hobsons Bay men's shed, but today we were able to inspect his '76 Torana SS, rather smart in red with some subtle trim. Peter Skinner showed a very nice Morris Minor ute, but we missed a promised visit of a '59 GMC ute, and Charlie Schembri did not even have a decent excuse. Maybe in July?

Some big boys who are the walking wounded showed up the non-attenders: Gary "Jumbo" Kennedy (crook leg), Allan Blackstock (recovering from a knee replacement), Barry Deller (knees not so good, plus a recent shoulder replacement), and Tony Galea (recent illness). Good show, you blokes. (There's a lot of 'flu going 'round)

Thanks to our crew who braved the elements: Rose and Connie G. (desk and coffee) and cooks Peter Lockwood, Alf Schembri and John Ryan. Set-up crew: the two Brians, Lindsay and John Kirkbride. Look in the July "Recollections" mag for Rod Matthews' photos. Also thanks to attending members and visitors who will need a chamois cloth after getting home.

Club's 33rd Anniversary Run and Lunch Saturday 22nd June

This year was very low key event but members enjoyed their short leisurely drive to Geelong to Sawyers Tavern. Location was quite good for having intimate gathering of members who on arrival were greeted with a nice open fire to help ward off the chill.

Unfortunately the number of Club's long term members able to attend were down this year.

We were expecting 56 members to attend for lunch, unfortunately at the last minute mainly due to the dreaded lurgy we lost some. As much as we missed these members it didn't put a big damper on the day or those in attendance, actually on a good note gave us more room.

Lunch was a pleasant experience and members not only enjoyed their meals but banter around and across tables made the day.

After the main meal it was time to cut the Anniversary Cake. As per Club tradition we called up those in attendance who have been members of the club the longest, also those who recently joined the Club.

This year we were blessed to have Charlie Cook #24, Werner Bernhardt #212, Kate Galea #488 and Tess Borg #498 doing the honour of cutting the cake.

This years cake was more subdued... no Blue tongues and lips like what happened at last year's event.

Charlie commented we picked same date Clubs' first Anniversary run was held in 1992, but main difference was location.

Back at first Anniversary it was a picnic with running races and other picnic favourites, but he did mention members attending back in 1992 were in their 40's and they all had very young eager children in tow.

After enjoying our slice of Anniversary Cake and hot cup of Coffee, members reluctantly ventured out away from the cosy fire to make their way home.

Thanks to all members who braved the cold weather and helped make the day a success.

ASK YOUR HOLDEN DEALER FOR AN ART PAPER WALL POSTER OF THESE CARS.

In 50 years in Australia, we've come a long way together.

This year, General Motors celebrates its 50th anniversary in Australia.

General Motors began assembling vehicles in Australia in 1926.

Five years later, General Motors-Holden's was formed by a merger of General Motors with Holden's Motor Body Builders. Seventeen years later, the first Holden was born.

It has been an exciting, eventful period—a time that has seen GMH establish many firsts in the Australian automotive industry.

Chances are you've driven at least one of our vehicles over the past 50 years. A limited selection of them is shown above.

We hope you've enjoyed the experience. And we hope we share many more happy miles together.

Building the right cars for Australia.
